

S.B. CIVIL WRIT PETITION NO. 5015/2006

Date : 04.10.2006

HON'BLE MR. BHAGWATI PRASAD J.

Mr. M.S. Purohit for the petitioner.

Heard.

The petitioner seeks to get certain documents examined by Forensic Science Laboratory. FSL is meant for criminal matters and examination of documents in a civil dispute by FSL is not a feasible approach which was adopted by the court below earlier and corrected subsequently. Now if the petitioner is desirous, the trial court will permit the petitioner to get a witness examined from his side for comparison of signatures for which if any time is required, petitioner will pray to the trial court and the court will consider the request accordingly.

With these observations, the writ petition is disposed of.
